

Due to the rising numbers of COVID-19 cases in the state of Texas, Lutherhill Ministries will CLOSE for all in-person camps this Summer.

With heavy hearts, the Board of Directors and the Staff of Lutherhill Ministries has news to share.

After consulting our Advisory Panel consisting of medical professionals, camper parents and synod leadership as well health officials, the board of directors unanimously voted to cancel all residential summer camp programs for this summer.

As we face struggles we have never experienced before, every decision has been guided by the health and safety of campers and staff, stewardship of the investment donors and camper families make in Lutherhill and the rich tradition of offering meaningful experiences.

As cases of COVID-19 are on the rise in the state of Texas, it has become alarmingly clear that gathering campers at Lutherhill is not the safest option for them, our camper families and our staff.

This is not the summer we imagined.

While we will not gather for residential summer camp, we are re-imagining how the joy of camp might still come to life this summer.

Stay tuned for more information on Virtual Camp coming soon! The real joy of camp comes to life in meaningful connection. We hope your happy camper will join us for virtual worship, bible study, sing-a-long, all camp and more! It's not the summer camp experience we imagined, but it can still be really good!
