

VISION 2020

DAILY CHALLENGE

Each day there will be a specific challenge for you to accomplish. You can complete these challenges solo or with a friend (or two!). The challenge typically takes 5 minutes to accomplish on the level of difficulty. Stop by each day to see what new challenge to take on and let's have some fun together!

DAY ONE

Stack the Dice!

Materials:

- 1 large popsicle sticks
- 6 dice

Directions:

For this challenge you will hold a large popsicle stick in your mouth and try to stack all the dice edge. For Level 1 - start with one dice. To keep track, you can place the number 1 facing you. For LEVELS 1 – 6, add another dice on top of the stack. By Level 6 you will have all 6 dice balanced together! For added difficulty, balance the dice while you attempt to roll the next number before adding it to the stack.

DAY TWO

Cup Tower

Materials:

- 5 plastic cups
- A piece of thick paper (cardstock preferred) cut into four equal pieces

Directions:

For this challenge you will place one cup on the table, then place a piece of paper on top. Stack the next cup on top of the paper. Level 1 begins with two cups, attempt to quickly remove the paper so that the top cup stacks neatly on top of the bottom cup. For each Level 1-4, add an additional piece of paper and cup. See if you can neatly stack all 5 cups one on top of the next without toppling the tower.

VISION 2020

DAY THREE

Face the Graham Cracker

Materials:

- One large graham cracker

Directions:

For this challenge you will balance a graham cracker on your forehead. With your hands behind your back, use your smiling face to work the cracker all the way down to the mouth. Can you do it?

DAY FOUR

On the Money

Materials:

- Fork
- 4-10 coins (quarters preferred)

Directions:

For this challenge, place a fork face down on a smooth surface. Mark a line with tape approximately 12 inches in front of the fork. Attempt to roll a coin, toward the fork and lodge it between the fork tines. For added difficulty, each time you complete the challenge, move the fork back 6 inches from latest completion spot.

DAY FIVE

Climbing on Up!

Materials:

- 19 plastic cups of one color (for a greater challenge you can add even more cups!)
- 1 different color cup.

Directions:

For this challenge, start with 19 cups of one color and place the odd color cup at the bottom of the stack. Alternating hands, take the bottom cup of the stack and place it on the top. Do this same technique until the odd color cup makes the whole climb back to the bottom of the stack. Try to complete in under a minute. If you are able to accomplish within a minute, move to next level by adding 10 more of the original color. For a greater challenge, continue to add 5 or 10 cups at a time.
